Mrs. E. Manley:
55 Somerset Street
Newark, New Jersey

My dear Mrs. Manley:

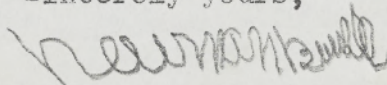

Thank you for your letter of July 25th.
I regret not having stated the place for
the outing.

It will be at Lake Surprise, not very far
from Paterson, New Jersey. We are told that
the trip is short and that traffic is not
often congested on that road.

The full expense for gas will be met by
the club.

Thank you again for your kindness.

Sincerely yours,

ARM.
